Finding Your Yes is a new way to see, feel, and decide. It is based on the understanding of Harmonious Alignment, through the uniqueness of you - *your heart, your mind, your body, and your soul.*

When combined, these four individual aspects contain your physical and energetic signature. Discovering this signature will introduce you to an entirely new way of seeing and feeling, as author Heidi Lanier shows you how to make decisions guided by true resonance, clarity, and joy. And this is one of the most important parts of ***Finding Your Yes*** - the pure unabashed happiness and success you will experience when matching every choice *or* decision *uniquely* to yourself.

It's never too early or too late to find your Yes!
